ARRIVAL AND SCHOOL DISMISSAL

All Parkview Elementary students are expected to attend school daily and to report to class on time. The Parkview Elementary is staffed from 7:45 a.m. until 3:45 p.m. The playground is staffed starting at 7:30 a.m. Students enter the building at 8:05 a.m. each morning (except on very cold or rainy days when students enter the building as soon as they arrive), and classes begin at 8:05 a.m. Students dismiss at 2:45 p.m. and at 1:45 on all Wednesdays.

Your kids are important to us. Please communicate with your child, before they come to school, about where they are supposed to go after school. We seem to have an increase of students unsure of what they are supposed to do after school or where they are supposed to go, and we do not have a note that tells us anything different from their normal route home. If your after-school plans change, please send a note to school with your child so the teacher can get your child to the proper place. If you must call the school to change your after-school plans, please call before 1:30 and be sure that you talk to someone in person. Do not leave a message and expect that it will be heard before 1:45/2:45 p.m. If there is no answer, please call back after a few minutes and speak with the secretary.

The safety and security of your children are of the utmost concern for us and we want to make sure we deliver them back to you every night. Changes in plans, or not knowing plans, makes this very difficult for us.

If your change in plans is immediate, do not leave a message, talk to a person directly.

ATTENDANCE - Board Policy #503

ISD 2909 is committed to maximizing instructional time. Students present in class are proven to have higher student achievement and dedication to personal growth. We are continuously striving to improve the academic success and social/emotional learning of our students; school attendance and punctuality are foundational pieces of the process. We ask students, parents, and guardians to partner with us in proactively making attendance a priority every day. These procedures recognize that class attendance is a joint responsibility to be shared by the student, parent or guardian, teacher and administrators. These practices will assist students in attending class.

Minnesota State Law: (a) Every child between seven and 17 years of age must receive instruction unless the child has graduated. Every child under the age of seven who is enrolled in a half-day kindergarten program shall receive instruction except as provided in subdivision 6, a parent may withdraw a child under the age of seven from enrollment at any time. (b) A school district by annual board action may require children subject to

this subdivision to receive instruction in summer school. A district that acts to require children to receive instruction in summer school shall establish at the time of its action the criteria for determining which children must receive instruction. (c) A pupil 16 years of age or older who meets the criteria of MN 1234D.68, subdivision 2, may be assigned to an area learning center. Such assignment may be made only after consultation with the principal, area learning center director, and parent or guardian.

ABSENCES

If your child will be absent from school for any reason, please call the **Parkview Elementary Attendance Line at 218-742-3800**. Attendance is taken every school day by 9:00 AM. If your child is absent and we haven't received notice from a parent/guardian, a phone call home will be made. When you are calling the attendance line, please leave the following information:

- Child's Name
- Grade
- Teacher's Name
- Reason for absence
- Length of absence (if known)

Student's Responsibility

It is the student's right to be in school. It is also the student's responsibility to attend all assigned classes every day that school is in session. Students are required to make up all assignments or to complete alternative assignments for all absences as deemed appropriate by the classroom teacher.

Parent or Guardian's Responsibility

It is the responsibility of the student's parent or guardian to ensure the student is attending school, to inform the school in the event of a student absence, and to work cooperatively with the school and the student to solve any attendance problems that may arise.

Teacher's/Supervisor's Responsibility

It is the teacher's/supervisor's responsibility to take daily attendance and to maintain accurate attendance records in each assigned class. It is also the teacher's/supervisor's responsibility to provide any student who has been absent with any missed assignments upon request. Finally, it is the teacher's/supervisor's responsibility to work cooperatively with the student's parent or guardian and the student to solve any attendance problems that may arise.

Administrator's Responsibility

It is the administrator's responsibility to require students to attend all assigned classes.

EXPECTATIONS

Rock Ridge district policy states that students are allowed a maximum of 10 absences per semester course. Absences that are considered exempt in the following chart do not count within the 10 allowable absences. Other days missed, including illnesses not verified by a medical practitioner will count towards a student's maximum number of allowable absences. Under no condition shall a student leave the school without permission from the nurse or office administration. If a student leaves without permission, he/she will be considered truant. Once permission has been granted, the student must sign out in the office. While the teacher/school should remind families of excessive absenteeism, it is the responsibility of the parent/guardian to be responsible for tracking their child's absences by checking the student information system or asking the office for support.

OVER TEN CUMULATIVE ABSENCES

The purpose of attendance interventions are to reengage students with the school community. We recognize the students and families may be struggling with a variety of concerns and we recognize the need to work together to reengage students with the positive supports a school community can offer. Research shows that students connected to school are less likely to miss classes and more likely to graduate on time.

Students in grades K-8 with 10 or more absences will be enrolled in our Check & Connect mentoring program and/or referred to county truancy or educational neglect resources.

NOTIFICATIONS

Daily

Daily notifications will be sent via electronic systems for all absences not cleared by a parent/guardian.

Continuing Truant (3 Unexcused Absences)

Minn. Stat. § 260A.02 provides that a continuing truant is a student who is subject to the compulsory instruction requirements of Minn. Stat. § 120A.22 and is absent from instruction in a school, as defined in Minn. Stat. § 120A.05, without valid excuse (unexcused absence) within a single school year for:

1. Three days if the child is in elementary school

When a student is initially classified as a continuing truant, Minn. Stat. § 260A.03 provides that the school attendance officer or other designated school official shall notify the student's parent or legal guardians.

1. That the child is truant;
2. That the parent or guardian should notify the school if there is a valid excuse for the child's absences;
3. That the parent or guardian is obligated to compel the attendance of the child at school pursuant to Minn. Stat. § 120A.22 and parents or guardians who fail to meet this obligation may be subject to prosecution under Minn. Stat. § 120A.34;
4. That this notification serves as the notification required by Minn. Stat. § 120A.34;
5. That alternative educational programs and services may be available in the district;
6. That the parent or guardian has the right to meet with appropriate school personnel to discuss solutions to the child's truancy;
7. That if the child continues to be truant, the parent and child may be subject to juvenile court proceedings under Minn. Stat. Ch. 260;
8. That if the child is subject to juvenile court proceedings, the child may be subject to suspension, restriction, or delay of the child's driving privilege pursuant to Minn. Stat. § 260C.201.

Habitual Truant (7 Unexcused Absences)

A habitual truant is a child under the age of 17 years who is absent from attendance at school without lawful excuse for seven school days if the child is in elementary school or for one or more class periods on seven school days if the child is in middle school, junior high school, or high school, or a child who is 17 years of age who is absent from attendance at school without lawful excuse for one or more class periods on seven school days and who has not lawfully withdrawn from school.

A principal shall refer a habitual truant child and the child's parent or legal guardian to appropriate services and procedures, under Minn. Stat. Ch. 260A.

Once a student has reached 7 excused or unexcused absences, a formal notification will be provided to the student and his/her guardian. This notification will be generated only one time per semester regardless of additional absences. A student who has missed 7 or more days will result in a parent/guardian conference with administration to discuss absenteeism and possible interventions.

BIRTHDAYS

Please let the teacher know if you would like to send treats to class to celebrate your child's birthday. **All treats must be commercially made, as home-baked items cannot be given to students due to state health regulations.** We request that you send any party invitations to students through the mail instead of passing them out at school. It is easy for feelings to be hurt unintentionally when invitations are distributed at school.

BREAKFAST

The school cafeteria will be offering a daily breakfast program for those students who would like to participate from 7:45-8:15 a.m. Students wishing to eat a school breakfast should go directly to the cafeteria upon arrival to Parkview in order to **finish eating by 8:15 a.m.** When students are finished, they are expected to empty their tray and go directly outside for morning recess or to their classroom depending on the time. Students are not to remain in the cafeteria to socialize.

BULLYING - Board Policy # 514

I. GENERAL STATEMENT OF POLICY

- A. An act of bullying, by either an individual student or a group of students, is expressly prohibited on school district property or at school-related functions. This policy applies not only to students who directly engage in an act of bullying but also to students who, by their indirect behavior, condone or support another student's act of bullying. This policy also applies to any student whose conduct at any time or in any place constitutes bullying that interferes with or obstructs the mission or operations of the school district or the safety or welfare of the student, other students, or employees.
- B. No teacher, administrator, volunteer, contractor, or other employee of the school district shall permit, condone, or tolerate bullying.
- C. Apparent permission or consent by a student being bullied does not lessen the prohibitions contained in this policy.
- D. Retaliation against a victim, good faith reporter, or a witness of bullying is prohibited.
- E. False accusations or reports of bullying against another student are prohibited.
- F. A person who engages in an act of bullying, reprisal, or false reporting of bullying, permits, condones, or tolerates bullying shall be subject to discipline for that act in accordance with school district's policies and procedures. The school district may take into account the following factors:
 - 1. The developmental and maturity levels of the parties involved;
 - 2. The levels of harm, surrounding circumstances, and nature of the behavior;
 - 3. Past incidences or past or continuing patterns of behavior;
 - 4. The relationship between the parties involved;
 - 5. The context in which the alleged incidents occurred.

Consequences for students who commit prohibited acts of bullying may range from positive behavioral interventions up to and including suspension and/or expulsion. Consequences for employees who permit, condone, or tolerate bullying or engage in an act of reprisal or intentional false reporting of bullying may result in disciplinary action. Consequences for other individuals

engaging in prohibited acts of bullying may include, but not be limited to, exclusion from school district property and events and/or termination of services and/or contracts.

- G. The school district will act to investigate all complaints of bullying and will discipline or take appropriate action against any student, teacher, administrator, volunteer, contractor, or other employee of the school district who is found to have violated this policy.

II. DEFINITIONS

For purposes of this policy, the definitions included in this section apply.

- A. “Bullying” means intimidating, threatening, abusive, or harming conduct that is objectively offensive and:
1. an actual or perceived imbalance of power exists between the student engaging in the prohibited conduct and the target of the prohibited conduct, and the conduct is repeated or forms a pattern; or
 2. materially and substantially interferes with a student’s educational opportunities or performance or ability to participate in school functions or activities or receive school benefits, services, or privileges.

The term, “bullying,” specifically includes cyber bullying as defined in this policy.

- B. “Cyber bullying” means bullying using technology or other electronic communication, including, but not limited to, a transfer of a sign, signal, writing, image, sound, or data, including a post on a social network Internet website or forum, transmitted through a computer, cell phone, or other electronic device. The term applies to prohibited conduct which occurs on school premises, on school district property, at school functions or activities, on school transportation, or on school computers, networks, forums, and mailing lists, or off school premises to the extent that it substantially and materially disrupts student learning or the school environment.
- C. “Immediately” means as soon as possible but in no event longer than 24 hours.
- D. “Intimidating, threatening, abusive, or harming conduct” means, but is not limited to, conduct that does the following:
1. Causes physical harm to a student or a student’s property or causes a student to be in reasonable fear of harm to person or property;
 2. Under Minnesota common law, violates a student’s reasonable expectation of privacy, defames a student, or constitutes intentional infliction of emotional distress against a student; or
 3. Is directed at any student or students, including those based on a person’s actual or perceived race, ethnicity, color, creed, religion, national origin, immigration status, sex, marital status, familial status, socioeconomic status, physical appearance, sexual orientation including gender identity and expression, academic status related to student performance, disability, or status with regard to public assistance, age, or any additional characteristic defined in the Minnesota Human Rights Act (MHRA). However, prohibited conduct need not be based on any particular characteristic defined in this paragraph or the MHRA.

III. REPORTING PROCEDURE

- A. Any person who believes he or she has been the target or victim of bullying or any person with knowledge or belief of conduct that may constitute bullying or prohibited conduct under this policy shall report the alleged acts immediately to an appropriate school district official designated by this policy. A person may report bullying anonymously. However, the school district may not rely solely on an anonymous report to determine discipline or other remedial responses.
- B. The school district encourages the reporting party or complainant to use the report form available from the principal or building supervisor of each building or available in the school district office, but oral reports shall be considered complaints as well.
- C. The building principal, the principal's designee, or the building supervisor (hereinafter the "building report taker") is the person responsible for receiving reports of bullying or other prohibited conduct at the building level. Any person may report bullying or other prohibited conduct directly to a school district human rights officer or the superintendent. If the complaint involves the building report taker, the complaint shall be made or filed directly with the superintendent or the school district human rights officer by the reporting party or complainant.

IV. SCHOOL DISTRICT ACTION

- A. Within three days of the receipt of a complaint or report of bullying or other prohibited conduct, the school district shall undertake or authorize an investigation by the building report taker, or a third party designated by the school district.
- B. The building report taker or other appropriate school district officials may take immediate steps, at their discretion, to protect the target or victim of the bullying or other prohibited conduct, the complainant, the reporter, and students, or others, pending completion of an investigation of the bullying or other prohibited conduct, consistent with applicable law.
- C. The alleged perpetrator of the bullying or other prohibited conduct shall be allowed the opportunity to present a defense during the investigation or prior to the imposition of discipline or other remedial responses.
- D. Upon completion of an investigation that determines that bullying or other prohibited conduct has occurred, the school district will take appropriate action. Such action may include, but is not limited to, warning, suspension, exclusion, expulsion, transfer, remediation, termination, or discharge. Disciplinary consequences will be sufficiently severe to try to deter violations and to appropriately discipline prohibited conduct. Remedial responses to the bullying or other prohibited conduct shall be tailored to the particular incident and nature of the conduct and shall take into account the factors specified in Section II.F. of this policy.
- E. The school district is not authorized to disclose to a victim private educational or personnel data regarding an alleged perpetrator who is a student or employee of the school district. School officials will notify the parent(s) or guardian(s) of students who are targets of bullying or other prohibited conduct and the parent(s) or guardian(s) of alleged perpetrators of bullying or other prohibited conduct who have been involved in a reported and confirmed bullying incident of the remedial or disciplinary action taken, to the extent permitted by law.

V. RETALIATION OR REPRISAL

The school district will discipline or take appropriate action against any student, teacher, administrator, volunteer, contractor, or other employee of the school district who commits an act of reprisal or who retaliates against any person who asserts, alleges, or makes a good faith report of alleged bullying or prohibited conduct, who provides information about bullying or prohibited conduct, who testifies, assists, or participates in an investigation of alleged bullying or prohibited conduct, or who testifies, assists, or participates in a proceeding or hearing relating to such bullying or prohibited conduct. Retaliation includes, but is not limited to, any form of intimidation, reprisal, harassment, or intentional disparate treatment. Disciplinary consequences will be sufficiently severe to deter violations and to appropriately discipline the individual(s) who engaged in the prohibited conduct. Remedial responses to the prohibited conduct shall be tailored to the particular incident and nature of the conduct and shall take into account the factors specified in Section II.F. of this policy.

BUS TRANSPORTATION

1. The bus driver has complete authority on the bus.
2. The school bus does not stop, nor does it wait for students who are not out at their designated school bus pick up location. Students who miss their bus through their own negligence must find their own transportation to or from school.
3. Students must ride their assigned bus to and from school unless administrative approval is granted. A written request must be made by a parent and the office must sign the request.
4. Students must board and leave their bus at the location designated by the district.
5. Permanent changes to the bus transportation (i.e. moving or change in before/after school care) must be made at least one week in advance by filling out a Transportation Change Request Form. Forms are available online or by contacting the office.

District Policy: Bus drivers will report serious and/or continued violations to the administration. Parents or guardians will be notified by letter. Transportation may be denied a student by school authorities for repeated or flagrant violation of bus rules. **NOTE: All School District Policies remain in effect while riding a school bus.**

CHILD ABUSE AND NEGLECT

District employees are required by law to immediately report evidence of child physical or sexual abuse, neglect, or emotional maltreatment to the Child Protection Unit of St. Louis County Social Services. Any person who is required to report this evidence and willfully fails to do so will be guilty of a misdemeanor. At the same time, any person who reports child physical or sexual abuse, neglect, or emotional maltreatment is immune from civil or criminal liability. The purpose of reporting such an incident is not to accuse or punish anyone but to help ensure that the situation does not continue.

CODE OF CONDUCT - Board Policy # 506

Code of Conduct: We believe that students and staff have a right to be safe, a right to be treated kindly, and a right to learn. To help ensure that these rights are upheld, we have adopted policies and procedures to give our students directions and set the limits which must be maintained to offer an effective learning environment. Disciplinary Action for Inappropriate Behavior

The general policy of the school district is to utilize progressive discipline to the extent reasonable and appropriate based upon the specific facts and circumstances of student misconduct. The specific form of discipline chosen in a particular case is solely within the discretion of the school district. At a minimum, violation of school district rules, regulations, policies, or procedures will result in discussion of the violation and a verbal warning. The school district shall, however, impose more severe disciplinary sanctions for any violation, including exclusion or expulsion, if warranted by the student's misconduct, as determined by the school district.

Consequences for inappropriate behavior may include but are not limited to:

- A. Student conference with teacher, principal, counselor, or other school district personnel, and verbal warning;
- B. Confiscation by school district personnel and/or by law enforcement of any item, article, object, or thing, prohibited by, or used in violation of, any school district policy, rule, regulation, procedure, or state or federal law. If confiscated by the school district, the confiscated item, article, object, or thing will be released only to the parent/guardian following the completion of any investigation or disciplinary action instituted or taken related to the violation;

- E. Removal from class;

Parents/guardians of students who have not been involved in suspension/expulsion situation who wish to view the Pupil Fair Dismissal Act may contact the school principal. Nothing in this handbook is intended to conflict with the Pupil Fair Dismissal Act.

DRESS CODE - Board Policy # 504

While it has become obvious nation-wide that dress codes are almost impossible to maintain, we credit our Parkview Elementary families for the neat, appropriate attire of our students! Our school is a place for the business of education, and students' grooming and dress should be appropriate to the school setting, as well as appropriate for the season and the weather. Hats and headgear may not be worn in the building. Apparel may not include words or visuals that are obscene, abusive, and discriminatory or which advertise, or otherwise condone the use of drugs, alcohol or tobacco. Items of clothing which could be distracting to the educational process are considered inappropriate school attire. Students disregarding the dress code will be sent to the office. - E. False accusations or reports of hazing against a student, teacher, administrator, volunteer, contractor, or other employee are prohibited.
- F. A person who engages in an act of hazing, reprisal, retaliation, or false reporting of hazing or permits, condones, or tolerates hazing shall be subject to discipline or other remedial responses for that act in accordance with the school district's policies and procedures. Consequences for students who commit, tolerate, or are a party to prohibited acts of hazing may range from remedial responses or positive behavioral interventions up to and including suspension and/or expulsion. Consequences for employees who permit, condone, or tolerate hazing or engage in an act of reprisal or intentional false reporting of hazing may result in disciplinary action up to and including termination or discharge. Consequences for other individuals engaging in prohibited acts of hazing may include, but not be limited to, exclusion from school district property and events and/or termination of services and/or contracts.
- G. This policy applies to hazing that occurs during and after school hours, on or off school premises or property, at school functions or activities, or on school transportation.
- H. A person who engages in an act that violates school policy or law in order to be 526-2 initiated into or affiliated with a student organization shall be subject to discipline for that act. I. The school district will act to investigate all complaints of hazing and will discipline or take appropriate action against any student, teacher, administrator, volunteer, contractor, or other employee of the school district who is found to have violated this policy.

III. DEFINITIONS

- A. "Hazing" means committing an act against a student, or coercing a student into committing an act, that creates a substantial risk of harm to a person, in order for the student to be initiated into or affiliated with a student organization, or for any other school-related purpose. The term hazing includes, but is not limited to: 1. Any type of physical brutality such as whipping, beating, striking, branding, electronic shocking, or placing a harmful substance on the body. 2. Any type of physical

activity such as sleep deprivation, exposure to weather, confinement in a restricted area, calisthenics, or other activity that subjects the student to an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student. 3. Any activity involving the consumption of any alcoholic beverage, drug, tobacco product, or any other food, liquid, or substance that subjects the student to an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student. 4. Any activity that intimidates or threatens the student with ostracism, that subjects a student to extreme mental stress, embarrassment, shame, or humiliation, that adversely affects the mental health or dignity of the student or discourages the student from remaining in school. 5. Any activity that causes or requires the student to perform a task that involves violation of state or federal law or of school district policies or regulations.

- B. “Immediately” means as soon as possible but in no event longer than 24 hours.
- C. “On school premises or school district property, or at school functions or activities, or on school transportation” means all school district buildings, school grounds, and school property or property immediately adjacent to school grounds, school bus stops, school buses, school vehicles, school contracted vehicles, or any other vehicles approved for school district purposes, the area of entrance or departure from school grounds, premises, or events, and all school-related functions, school-sponsored activities, events, or trips. School district property also may mean a student’s walking route to or from school for purposes of attending school or school-related functions, activities, or events. While prohibiting hazing at these locations and events, the school district does not 526-3 represent that it will provide supervision or assume liability at these locations and events.
- D. “Remedial response” means a measure to stop and correct hazing, prevent hazing from recurring, and protect, support, and intervene on behalf of a student who is the target or victim of hazing.
- E. “Student” means a student enrolled in a public school or a charter school.
- F. “Student organization” means a group, club, or organization having students as its primary members or participants. It includes grade levels, classes, teams, activities, or particular school events. A student organization does not have to be an official school organization to come within the terms of this definition.

IV. **REPORTING PROCEDURES**

- A. Any person who believes he or she has been the target or victim of hazing or any person with knowledge or belief of conduct which may constitute hazing shall report the alleged acts immediately to an appropriate school district official designated by this policy. A person may report hazing anonymously. However, the school district may not rely solely on an anonymous report to determine discipline or other remedial responses.
- B. The school district encourages the reporting party to use the report form available from the principal or building supervisor of each building or available from the school district office, but oral reports shall be considered complaints as well. The building principal, the principal’s designee, or the building supervisor (hereinafter the “building report taker”) is the person responsible for receiving reports of hazing at the building level. Any adult school district personnel who receive a report of hazing prohibited by this policy shall inform the building report taker immediately. Any person may report hazing directly to a school district human rights officer or to the superintendent. If the complaint involves the building report taker, the complaint shall be made or filed directly with the

superintendent or the school district human rights officer by the reporting party or complainant. The building report taker shall ensure that this policy and its procedures, practices, consequences, and sanctions are fairly and fully implemented and shall serve as a primary contact on policy and procedural matters.

- C. A teacher, administrator, volunteer, contractor, and other school employees shall be particularly alert to possible situations, circumstances, or events which might include hazing. Any such person who witnesses, observes, receives a report of, or has other knowledge or belief of conduct which may constitute hazing shall make reasonable efforts to address and resolve the hazing and shall inform the building report taker immediately. School district personnel who fail to inform the building report taker of conduct that may constitute hazing or who fail to make reasonable efforts to address and resolve the hazing in a timely manner may be 526-4 subject to disciplinary action.
- D. Submission of a good faith complaint or report of hazing will not affect the complainant or reporter's future employment, grades, work assignments, or educational or work environment.
- E. Reports of hazing are classified as private educational and/or personnel data and/or confidential investigative data and will not be disclosed except as permitted by law. The building report taker, in conjunction with the responsible authority, shall be responsible for keeping and regulating access to any report of hazing and the record of any resulting investigation.
- F. The school district will respect the privacy of the complainant(s), the individual(s) against whom the complaint is filed, and the witnesses as much as possible, consistent with the school district's legal obligations to investigate, to take appropriate action, and to comply with any discovery or disclosure obligations.

V. SCHOOL DISTRICT ACTION

- A. Within three (3) days of the receipt of a complaint or report of hazing, the school district shall undertake or authorize an investigation by school district officials, or a third party designated by the school district.
- B. The building report taker or other appropriate school district officials may take immediate steps, at their discretion, to protect the target or victim of the hazing, the complainant, the reporter, and students or others pending completion of an investigation of alleged hazing prohibited by this policy.
- C. The alleged perpetrator of the hazing shall be allowed the opportunity to present a defense during the investigation or prior to the imposition of discipline or other remedial responses.
- D. Upon completion of an investigation that determines hazing has occurred, the school district will take appropriate action. Such action may include, but is not limited to, warning, suspension, exclusion, expulsion, transfer, remediation, termination, or discharge. Disciplinary consequences will be sufficiently severe to try to deter violations and to appropriately discipline prohibited behavior. School district action taken for violation of this policy will be consistent with the requirements of applicable collective bargaining agreements; applicable statutory authority, including the Minnesota Pupil Fair Dismissal Act; and applicable school district policies and regulations.

- E. The school district is not authorized to disclose to a victim private educational or personnel data regarding an alleged perpetrator who is a student or employee of the school district. School officials will notify the parent(s) or guardian(s) of students who are targets or victims of hazing and the parent(s) or guardian(s) of alleged perpetrators of hazing who have been involved in a reported and confirmed hazing incident of the remedial or disciplinary action taken, to the extent permitted by law. 526-5 F. In order to prevent or to respond to hazing committed by or directed against a child with a disability, the school district shall, where determined appropriate by the child's individualized education program (IEP) team or Section 504 team, allow the child's IEP or Section 504 plan to be drafted to address the skills and proficiencies the child needs as a result of the child's disability to allow the child to respond to or not to engage in hazing.

VI. RETALIATION OR REPRISAL

The school district will discipline or take appropriate action against any student, teacher, administrator, volunteer, contractor, or other employee of the school district who commits an act of reprisal or who retaliates against any person who asserts, alleges, or makes a good faith report of alleged hazing, who provides information about hazing, who testifies, assists, or participates in an investigation of alleged hazing, or who testifies, assists, or participates in a proceeding or hearing relating to such hazing. Retaliation includes, but is not limited to, any form of intimidation, reprisal, harassment, or intentional disparate treatment. Disciplinary consequences will be sufficiently severe to deter violations and to appropriately discipline the individual(s) who engaged in the prohibited conduct. Remedial responses to the prohibited conduct shall be tailored to the particular incident and nature of the conduct.

VII. DISSEMINATION OF POLICY

- A. This policy shall appear in each school's student handbook and in each school's building and staff handbooks.

INTERVIEW OF STUDENTS BY OUTSIDE AGENCIES - Board Policy # 519

There are occasions in which persons other than school district officials and employees find it necessary to speak with a student during the school day. Student safety and disruption of the educational program is of concern to the school district. The purpose of this policy is to establish the procedures of access to students by authorized individuals during the school day.

Generally, students may not be interviewed during the school day by persons other than a student's parents, school district officials, employees and/or agents, except as otherwise provided by law and/or this policy.

Requests from law enforcement officers and those other than a student's parents, school district officials, employees and/or agents to interview students shall be made through the principal's office. Upon receiving a request, it shall be the responsibility of the principal to determine whether the request will be granted. Prior to granting a request the principal shall attempt to contact the student's parents to inform them of the request, except where otherwise prohibited by law.

LOCKERS - Board Policy # 502

The 1995 Omnibus Crime Act creates a statewide school policy. It provides that it is the policy of the State of Minnesota that:

“School lockers are the property of Rock Ridge Public Schools. At no time does the Rock Ridge District relinquish its exclusive control of lockers provided for the convenience of students. Periodic general inspection of the interior of lockers may be conducted by school authorities for any reason at any time, without notice, without student consent, and without a search warrant. The personal possessions of students within a school locker may be searched only when school authorities have a reasonable suspicion that the search will uncover evidence of a violation of law or school rules. As soon as practicable after the search of a student's personal possessions, the school authorities must provide notice of the search to students whose lockers were searched unless disclosure would impede an ongoing investigation by police or school officials.”

1. STUDENTS ARE RESPONSIBLE FOR ALL CONTENTS CONTAINED IN THEIR LOCKERS.
2. STUDENTS ARE ADVISED NOT TO LEAVE MONEY OR OTHER VALUABLES IN THEIR LOCKERS.
3. Students found tampering with another person's locker will be liable for in-school suspension.
4. STUDENTS ARE NOT TO CHANGE LOCKERS.
5. Students will be expected to honor a request by the administration to open his/her locker for inspection. Should a student refuse to honor the request, the school reserves the right to cut the lock on the student's locker.

LOST AND FOUND

We have one lost and found table in the main hallway near the music room. Items are displayed, and those not claimed are disposed of. It's a good idea to mark your child's belongings, as many valuable pieces of clothing and equipment are turned in and never claimed.

LUNCH/PLAYGROUND PERIOD

The cafeteria is a place for students to eat their lunches and visit with their classmates. We do not assign seats, but we do require students to remain seated at one table with their class. Students spend about 20 minutes of their lunch period eating their lunches and the other 20 minutes outside on the playground. Students are supervised in the cafeteria and on the playground by lunchroom aides. Students are encouraged to participate in our well-balanced, hot lunch program.

All parents are encouraged to complete the school lunch paperwork as part of the educational funding for our school is calculated according to how many of our students' parents complete free and reduced school meal forms and then qualify for free and reduced-price school meals.

* Lunch Times are subject to change. *

All Kindergarteners will have lunch at 10:45 (12:25 on Wednesday's)

All Pre-K students will have lunch at 11:10

All 1st graders will have lunch at 11:35

All 2nd graders will have lunch at 12:25 (10:45 on Wednesday's)

Students are not to remove food items from the cafeteria and bring outside onto the playground.

PERSONAL PROPERTY

Students are not to bring to school personal property that is not directly related to class work (example: cell phones, video games, music devices, cameras, money in excess of a student's daily needs), as safe storage is a concern.

Parkview Elementary will not be responsible for lost or stolen items.

PEST CONTROL: (PARENT'S RIGHT TO KNOW ACT)

Our school district utilizes a licensed, professional pest control service form for the prevention and control of rodents, insects, and other pests in an around the district's buildings. The program consists of:

1. inspection and monitoring to determine whether pests are present and whether treatment is needed;
2. recommendations for maintenance and sanitation to help eliminate pests without the need for pest control materials;
3. utilization of non-chemical measures such as traps, caulking and screening; and application of EPA-registered pest control materials when needed.

Pests can sting, bite, cause contamination, damage property, and spread disease; therefore, we must prevent and control them. The long-term health effects on children from the application of such pest control materials, or the class of materials to which they belong, may not be fully understood. All pest control materials are chosen and applied according to the label directions per Federal law.

An estimated schedule of interior pest control inspections and possible treatments is available for review or copying at each school office. A similar estimated schedule is available for application of herbicides and other materials to school grounds. Parents of students may request to receive, at their expense, prior notification of any application of a pest control material, should an application be deemed necessary on a day different from the days specified in the schedule.

PETS

Students and parents are **not** to bring pets to school.

PLEDGE OF ALLEGIANCE - Board Policy # 531

The Pledge of Allegiance will be recited daily on the days school is in session. It is the responsibility of every citizen to show proper respect to his/her country and its flag. However, students may decline to recite the Pledge of Allegiance and may refrain from saluting the flag, on the basis of personal belief or religious convictions.

Students who choose to refrain from such participation shall respect the rights and interests of classmates who do wish to participate in a meaningful ceremony. A student who chooses not to participate may either stand or sit, remaining respectfully silent. No homework may be done during this short time.

In a world of increasing system accountability, schools are being asked how well they are educating their students and how their students compare with students in other schools. To help measure our system's accountability and to give parents/students an idea of how we're doing, students at Parkview Elementary participate in a computer testing program called STAR 360. These tests measure academic progress in reading and math.
